Sir Robt. Falconer,

TORONTO.

Dear Sir:-

Confirming my verbal report of last week I beg to say that the following firms have been interviewed and have expressed their intentions of co-operating with us to the extent of making contributions to the expense and sending their Managers to attend the Stockdale course of lectures.

The T. Eaton Co. Limited.
The Robt. Simpson Co. Limited.
Ryrie Bros. Limited.
The Consumers Gas Co.
The W.L. Ruddy Co. Limited,
The Wm. Neilson Co. Limited.
The Adams Furniture Co. Limited.

In addition to the above firms many others, who have since learned something of the nature of this course of lectures, have expressed the deepest interest and it will simply be a matter of giving them an opportunity to subscribe to add them to the list. We are going to make it possible for every one to avail themselves of this opportunity and the success of the project is absolutely assured at this moment.

I wish to take this opportunity of thanking you on behalf of the club for the courteous and kindly interest you have shown and for the co-operation you have offered us.

RSC/M.

Yours Very truly,
